At the time of this publication, musical selections have not been finalized. However, up-beat pop/rock material will likely be predominant.

Will there be opportunities for solos or features?

Some soloists may be featured within the group material however, the focus will be on group achievement. Performers should not join for the purpose of obtaining solo and/or preferential staging opportunities. All artistic decisions will be made by the production staff.

What if I've never been in a "show choir?"

That's okay! However, members with less experience singing while moving may require a bit more "homework" time. We'll learn 3 to 4 group numbers in one week! No audition is required.

What if I'm very enthusiastic, but don't have lots of dance experience?

No previous dance training is required. Choreography will be specifically tailored to the material and ability level of the performers. All that's required is a positive attitude and the willingness to embrace learning new things!

Will rehearsals be fun or lots of work?

Both! Members should be prepared to work hard during rehearsals. We'll prove hard work can be fun...and you won't believe what we can achieve in just one week!
